STATUS UPDATE AND CONSENTED MOTION TO CONTINUE
SUSPENSION OF CANCELLATION PROCEEDINGS

On January 31, 2002, the Trademark Trial and Appeal Board suspended the above cancellation proceeding pending the disposition of the parties' civil suit in the U.S. District Court for New Jersey, *Apple Corps Limited, et. al v. Mark Lapidus Productions, Ltd., et. al.*, civil Case No. 00 CV 4947 (D.N.J.) (HAA).

The civil suit has now been settled. Pursuant to the parties' settlement agreement, the registration which is the subject of this proceeding has been assigned from

the respondent in this case, Mark Lapidos Productions Ltd., to the petitioner, Apple Corps Limited.

Petitioner, as the new owner of the subject registration, is in the process of recording the assignment with the Assignment Branch of the U.S. Patent & Trademark Office. Upon formal recordation of the assignment the cancellation proceeding will be moot. At that time the parties will provide the Board with a copy of the Notice of Recordation and will file the appropriate motion to dismiss the cancellation proceeding.

In the interim, it is respectfully requested that the cancellation proceeding remain suspended in order to allow time for the recordation of the assignment and issuance of the formal Notice of Recordation.

Mr. Myron Amer, Esq., counsel for respondent, has consented to this request for continued suspension of the proceedings.

Respectfully submitted,

Foley & Lardner
